

DRINK MACHINE TWO-SPEED

Durable and Efficient Blending

The Drink Machine Two-Speed is the reliable blender for when powerful, functional, blending is needed. With manually-controlled two-speed capability, the Drink Machine Two-Speed will flawlessly create delicious, frozen coffee drinks, fruit smoothies, frappés, granitas, shakes and more.

Smart Product Design

- Blades create enough torque to crush almost 1,4 L of cubed ice in seconds
- Powerful, thermally-protected motor handles dense ingredients without overheating
- Clear, durable 1,4 L container pulls ingredients into the blades for efficiency and better speed of service

Creamy blended coffees
