

BARBOSS® ADVANCE®

The Ultimate Blender for Every Beverage Program

Whether preparing blended drinks, simple syrups or purées for cocktail bases, the BarBoss Advance is an essential tool for adding or expanding a beverage program.

Smart Product Design

- 6 optimized programs and automatic shut-off means you can turn it on, walk away, and achieve consistent results
- Pulse control quickly refreshes drinks for efficiency
- Advance® container creates faster, smoother pouring and has a longer blade life resulting in time and cost savings along with improved customer experience
- Advanced motor is designed to resist overheating when blending extra-thick ingredients resulting in cooler operation and enhanced reliability during peak hours of operation

Create signature drinks
